UNIVERSITY COLLEGE OF ENGINEERING KARIAVATTOM

ABOUT UCEK

University College of Engineering Kariavattom (UCEK), the pride of the Kariavattom campus spread across **400 acres**, boasting **32 departments**, is a breeding ground for future engineers, that nurture intellect. UCEK, the center of innovation, neighbors the IT hub **Technopark**, and **UST Global**, and features the **Greenfield International Stadium** just a peek away, state-of-the-art labs, and seasoned faculty.

UCEK stands as a symbol of academic heritage and eminence.

What sets us apart is our success in holistic development, demonstrated by our alumni network and notable **National** and **International Communities** such as **IEEE**, **NSS**, and **FOSS CELL**. Other communities such as **IEDC**, **GDSC**, **Mulearn** and **TinkerHub** have made significant contributions to what makes UCEK proud. Graduates excel in prestigious companies, reflecting the immaculate knowledge earned from here, and encouraging international exposure that shines on the global stage.

ABOUT RENVNZA

Renvnza '24, the **Techno-Cultural Odyssey** of the University College of Engineering, Kariavattom (UCEK), brings together kindred spirits to explore the uncharted realms of a technological and cultural utopia. This spectacular event features tech-manic workshops, intense competitions, exciting recreational activities, and mesmerizing cultural programs by renowned artists.

It's more than just a fest; it's an incredible journey into the heart of innovation and creativity.

As we weave technology with a hint of cultural activities, stay witness to this synergy connecting with visionary minds, and turn into one of UCEK's legacy, redefining the boundaries of possibility.

This year, Renvnza will be conducted on the **3rd, 4th, and 5th of July**. Join us for three days of unparalleled innovation and excitement.
